# ONCOLOGY PHARMACY CONGRESS

3-5 August 2006 at the Siam City Hotel, Bangkok, Thailand

## Introduction

This 1st Asia-Pacific Oncology Pharmacy Congress is of special significance since the year 2006 marks the 25th anniversary of the formation of the Faculty of Pharmaceutical Sciences, Khon Kaen University, Thailand, the predecessor of the current Oncology Pharmaceutical Care of Thailand.

## Objectives and messages from the Organizing Committee

The Faculty of Pharmaceutical Sciences, Khon Kaen University, Thailand and the Asia for Safe Handling Organization ([Asia4safehandling.org](http://Asia4safehandling.org)) proudly bring to you the 1st Asia-Pacific Oncology Pharmacy Congress (APOPC), which will be held on August 3-5, 2006 at the Siam City Hotel, Bangkok, Thailand. The theme for the 1st APOPC is "Best of Oncology Pharmacy Practice in the 2006", reflecting the profession's aim of improving cancer care through scientific research and evidence-based practice.

The 1st APOPC will be an event of special significance for the year 2006, which holds the 25th anniversary of the formation of Faculty of Pharmaceutical Sciences, Khon Kaen University, Thailand, the predecessor of the current clinical oncology pharmacy practice in Thailand. This Congress is also one in a series of celebratory events held in 2006 to commemorate the 40th of the Khon Kaen University and the establishment of the beginning of first year of Board Certification in Pharmacotherapy Training Program at the Faculty of Pharmaceutical sciences, Khon Kaen University Thailand.

With a wide spectrum of topics and multi-perspective outlook, the 1st APOPC looks to attract numerous participants from Thailand and Asia-Pacific region. The Congress will serve as a platform for those in the areas of pharmacy and pharmaceutical sciences to get together to share recent developments and to network with international colleagues.

We have put together a stimulating and well-rounded scientific program, which will spur dynamic discussions in various issues and concerns that have an impact on patient care. The Congress will feature an invited faculty of local and international speakers to share their wealth of experience with the delegates.

This event is not to be missed and we look forward to your active participation.

## Call for Abstracts

Submit Your Abstract via an email: [apopc\\_abst@yahoo.com](mailto:apopc_abst@yahoo.com)

Submission Deadline: **May 15, 2006**

## The 1st APOPC

The Siam city Hotel, Bangkok, Thailand

August 3-5, 2006

All First Authors of submitted abstracts must agree to the following.

Abstracts submitted to APOPC are considered both confidential and embargoed from the time of submission. For the study to be eligible for presentation at the 1st APOPC, information contained in the abstract, as well as additional data and information to be presented about the study at the Meeting, may not be made public before the findings have been presented/published at the Meeting.

APOPC's Confidentiality and Embargo Policies require that, prior to the embargo being lifted, the author, coauthors, and sponsor of the research not:

1. publish the information or provide it to others who may publish it,
2. release the findings to news media, or
3. use the information for trading in the securities of any issuer, or provide it to others who may use it for securities trading purposes.

The First Author is responsible for conveying this information to all parties.

Abstracts must be submitted online via an email. Each First Author will receive an e-mail to verify that APOPC has received the abstract.

For questions regarding the online submission process email: [apopc\\_abst@yahoo.com](mailto:apopc_abst@yahoo.com)

## Abstract Selection Process

Abstracts of superior quality will be selected by the APOPC Scientific Program Committee for presentation at the 2006 Meeting and for publication in the 2006 APOPC Meeting Proceedings.

Each First Author will receive a letter of notification (by e-mail) from the Committee regarding its decision on the abstract by early to mid May 2006. Each First Author of a late-breaking abstract will receive a letter of notification regarding the final decision in mid-June.

## Types of Presentations

The presentation format for each abstract will be determined by the Scientific Program Committee. The types of presentations include the following.

### Poster Sessions

Selected abstracts are grouped by topic and displayed on poster boards for two days. First Authors should be available at their poster for a minimum of two hours during a poster viewing session to informally answer questions from Meeting attendees.

### Publication Only

Abstracts of acceptable quality that are not selected by the APOPC Scientific Program Committee for presentation may be chosen for publication only in the 2006 APOPC Meeting Proceedings.
